The choice is yours. Consider these ways to cover overdrafts:

Overdraft Transfer Service applies to all transactions and may help prevent overdrafts by automatically transferring funds to your checking account from another deposit account.

Discretionary Courtesy Overdraft Privilege allows you to overdraw your account up to the disclosed limit for a fee in order to pay a transaction. Even if you have Overdraft Transfer Service protection, Discretionary Courtesy Overdraft Privilege is still available as secondary coverage if the other protection source is exhausted or the funds are unavailable due to the regulatory limit of six preauthorized transfers in a calendar month.

What Else You Should Know

- The Overdraft Transfer Service may be a less expensive option to cover an overdraft. A single larger overdraft will result in just one fee, as opposed to multiple smaller overdrafts. Good account management is the best way to avoid overdrafts. Use our Center Voice System, mobile banking, and Internet banking services to keep track of your balance. For additional financial education resources, please visit www.mymoney.gov.

- The \$35 Paid Item Fee is the same fee amount that is charged if a check is returned as unpaid. If multiple items overdraw your account on the same day, each item will be assessed an appropriate Paid Item Fee or a Return Item Fee of \$35. All fees and charges will be included as part of the Discretionary Courtesy Overdraft Privilege limit amount. Your account may become overdrawn in excess of the Discretionary Courtesy Overdraft Privilege limit amount as a result of a fee.
- For consumer accounts, a limit of \$140 per day we will charge. We will not charge a Paid Item Fee if a consumer account is overdrawn by \$3.00 or less or if the amount of the item is \$10.00 or less. These exceptions do not apply to business accounts.
- This describes the posting order for purposes of determining overdrafts. Our general policy is to post items throughout the day and to post credits before debits. 1) Pin based transactions such as ATM withdrawals are posted in time stamp order, 2) Signature based card transactions in time stamp order, 3) ACH items will post smallest to largest, 4) checks will post in check number order. However, because of the many ways we allow you to access your account, the posting order of individual items may differ from these general policies. Holds on funds (described below) and the order in which transactions are posted may impact the total amount of Paid Item Fees or Return Item Fees assessed.
- Although under payment system rules, Whitesville State Bank may be obligated to pay some unauthorized debit card transactions, Whitesville State Bank will not authorize debit card or ATM transactions unless there are available funds (including Overdraft Coverage Options) to cover the transactions and any fee(s).
- Giving us your consent to pay everyday debit card and ATM overdrafts on your consumer account may result in you incurring Paid Item Fees for transactions that we would otherwise be required to pay without assessing a Paid Item Fee. However, this would allow us to authorize transactions up to the amount of your Discretionary Courtesy Overdraft Privilege limit and may also help you avoid overdrafts in excess of your available balance that could result in suspension of your debit card.
- Whitesville State Bank authorizes transactions using the available balance in your account. Whitesville State Bank pays transactions using the ledger balance in your account. Whitesville State Bank may place a hold on deposited funds in accordance with our Terms and Conditions and Disclosure, which will reduce the amount in your available balance. The available balance for checks, ACH items, and recurring debit card transactions is comprised of the ledger balance, less any holds on deposited funds and any debit card holds, plus the amount of the Discretionary Courtesy Overdraft Privilege limit and any available overdraft protection. The available balance for ATM and everyday debit card transactions on accounts with Standard Coverage is the ledger balance, less any holds on deposited funds and any debit card holds, but does NOT include the Discretionary Courtesy Overdraft Privilege Limit. For accounts with Extended Coverage, the Discretionary Courtesy Overdraft Privilege Limit is included in the available balance for authorizing ATM and everyday debit card transactions. If the funds in the available balance are not sufficient to cover a transaction, any available overdraft protection and/or the amount of the Discretionary Courtesy Overdraft Privilege limit may be used to authorize and pay a transaction.
- Please be aware that the Discretionary Courtesy Overdraft Privilege amount is not included in your available balance provided through online banking, mobile banking or Whitesville State Bank 's ATMs.
- Whitesville State Bank will place a hold on your account for any authorized debit card transaction until the transaction settles (usually within three business days) or as permitted by payment system rules. In some cases, the hold may exceed the amount of the transaction. When the hold ends, the funds will be added to the available balance in your account. If your account is overdrawn after the held funds are added to the available balance and the transaction is posted to the available balance, a Paid Item Fee may be assessed.
- Except as described in this letter, Whitesville State Bank will not pay items if your account does not contain available funds (including the Discretionary Courtesy Overdraft Privilege limit) to cover the item(s) and the amount of any fee(s).
- We may suspend your debit card if you incur overdrafts in excess of the available balance in your account, including any Discretionary Courtesy Overdraft Privilege limit (as described in this letter). Debit cards on your account will remain suspended until you make sufficient deposits so that your available balance, taking into account any Discretionary Courtesy Overdraft Privilege limit, is positive and then you contact us.
- We may also suspend your debit card if your account is overdrawn more than 32 consecutive calendar days. Debit cards on your account will remain suspended until you contact us and you make sufficient deposits so that your account balance is positive.
- We may also suspend your debit card if we are unable to contact you due to an incorrect mailing address or phone number(s). You must contact us with your correct mailing address and/or phone number(s) to have your debit card reinstated.

- If your debit card is suspended, you will be unable to use your debit card for purchases or to access your account at the ATM, and if you use your debit card for recurring payments, e.g., utilities, you are responsible to make other arrangements for your recurring debit payment(s). If you have a Kasasa account with us and your debit card is suspended, you may not be able to meet your account qualifications to earn your account rewards.
- An Discretionary Courtesy Overdraft Privilege limit of \$100 is available for eligible Personal and Business Checking accounts at account opening.
- Discretionary Courtesy Overdraft Privilege limits of up to \$100/\$500 are available for eligible Personal Checking accounts opened at least 60 days in good standing and up to \$100/\$1,000 for eligible Business Checking accounts opened at least 60 days in good standing.
- Discretionary Courtesy Overdraft Privilege is not a line of credit; it is a discretionary overdraft service that can be withdrawn at any time without prior notice.
- Discretionary Courtesy Overdraft Privilege may be discontinued if you default on any loan or other obligation to us, your account becomes subject to any legal or administrative order or levy, or if you fail to maintain your account in good standing by not bringing your account to a positive balance within thirty-two (32) days for a minimum of one business day. You must bring your account balance positive for at least one business day to have Discretionary Courtesy Overdraft Privilege reinstated.
- Depositor and each Authorized Signatory will continue to be liable, jointly and severally, for all overdraft and fee amounts, as described in the Terms and Conditions and Disclosure. The total (negative) balance, including all fees and charges, is due and payable upon demand.
